

EXPERT LOCAL MOTORING SERVICES

TMS Motor Group

TMS is a family owned and run business with family at the heart of everything they do. Dealerships are located in Hinckley, Leicester and Coventry.

Investing in a vehicle – new or used – represents a major investment, so ensuring that you're able to secure the best possible value for money is key. TMS work with you to secure the utmost in value with their regularly updated selection of special offers, to enable your budget to stretch further than you might expect, regardless of whether you invest in Kia or Volvo.

So, whether you're looking to purchase a new car, a used car or need a service on your current model, when you visit TMS they will strive to provide you with an excellent experience at every stage of your visit.
